TITLE RECOGNITION

The degree awarded by Zaporizhzhia State Medical is **directly qualifying in Ukraine** and awards a seventh-level qualification in the European Qualifications Framework (EQF 7).

The profession of dentist is one of the university medical professions governed by the LPMéd (art. 1 al. 1 and 2 al. 1 let. b LPMéd).

The Ukrainian diploma in dentistry is not recognized in Switzerland by way of direct recognition.

In order to get the Ukrainian diploma recognized in Switzerland the student needs to go through a procedure. There are two options:

1. Indirect recognition or also called recognition of recognition
2. Federal Examination

In order to practice as a dentist in Italy, the student needs to go through a procedure to have the degree recognized by the Italian Ministry of Health. The regulatory framework for the recognition on Italian territory of titles obtained in non-EU countries is governed by Legislative Decree No. 206/2007 and Presidential Decree No. 394/1999.
